

GOSPEL REFLECTION FOR THE FIFTH SUNDAY IN ORDINARY TIME

A Matter of Life and Death

Now more than ever in living memory we are all consumed by the need to stay well and to keep our friends and family well too. It's great news that our scientists have come up with a vaccine that will eventually help beat Covid. It's great news that we now have developed the means to save thousands of lives. Surely if Jesus was around today in person, he would give those scientists a big pat on the back. But perhaps Jesus would have something to add.

A vaccine might save us from getting ill and dying, but it cannot add to our lives. Our bodies are merely vehicles in which to get us through life. It is important to look after a vehicle, but what greater point is there in looking after a vehicle that isn't heading anywhere? What we do with our lives is more important than how long we can stay fit and well, however important that is to us as humans.

Jesus behaves unexpectedly in today's gospel. Having cured Simon's mother-in-law, the whole town turns up at his door eager for miracle cures, and Jesus obliges. This it would seem is his golden opportunity. This is his chance to have everybody eating out of the palm of his hand. Instead, Jesus gets up early and goes off to a deserted place, and when Simon comes looking for him, Jesus suggests that instead of returning to his new found fans, that they move on to the next village. This might seem odd to many, but it is to become apparent that curing the sick was not top of Jesus' agenda.

To achieve anything in this world our health of course is important, but Jesus didn't heal people simply to promote some health and fitness regime. Healing was only part of his primary ministry to teach. Jesus' healing miracles were signs of his identity and of God's power and compassion. His acts of healing were often to teach the importance of faith and discipleship.

Saint Bernadette made a prayer that we could do well to adopt. She said "Lord, I do not ask that I never be afflicted, but only that you never abandon me in affliction."

PARISH PRAYER – Father, pour out your Spirit upon our parish. Grant us a new vision of your glory, a new faithfulness to your Word and a new consecration to your service, that your love might grow among us and your kingdom come, through Christ our Lord, Amen.

Day of Prayer for the Prevention of Human Trafficking, 8th February - Every year, thousands of men, women and children fall into the hands of traffickers, in their own countries and abroad. Almost every country in the world is affected by trafficking, whether as a country of origin, transit or destination for victims. Trafficking is when a person is recruited or transported or harboured, by means of threat or coercion for the purpose of exploitation. The easiest thing we can do to combat trafficking and slavery is to be conscientious consumers. That's something we can all do. By buying 'Fairtrade' food and making sure the clothes we buy are ethically sourced we help eliminate trafficking in the supply chains.

Date for your Diaries! Wednesday, 17th February is Ash Wednesday.

World Day of Prayer for the Sick, 11th February 2021 - In his world message for World Day of the Sick Pope Francis concludes: "The commandment of love that Jesus left to his disciples is also kept in our relationship with the sick. A society is all the more human to the degree that it cares effectively for its most frail and suffering members, in a spirit of fraternal love. Let us strive to achieve this goal, so that no one will feel alone, excluded or abandoned."

Pope Francis Prayer Intention for February 2021 - In his February message, the Pope asks for society to protect women who are the victims of violence. Although at least 155 countries have approved domestic violence laws and 140 have legislation regarding workplace sexual harassment, to give two examples, this does not mean that these laws always conform to international norms and recommendations, nor that they are applied and enforced. This month Pope Francis invites us to join in his prayer "... for women who are victims of violence, that they may be protected by society and have their sufferings considered and heeded by all."
