

## GOSPEL REFLECTION FOR EASTER SUNDAY

### Faith, Trust and Intuition

The story of the empty tomb should be the best part of the Bible, but instead there feels as though there's a great big chunk missing .... the bit where Jesus actually rises up from the dead. For many of us this presents no problem. Jesus said he would rise on the third day and that is exactly what happened. Everything happened just as Jesus said it would. But for some of us, the lack of detail leaves too many unanswered questions, and where there are unanswered questions there's room for doubt. One thing is for sure, we cannot start playing 'detective' with a mystery trail that has had two thousand

years to go cold, so what are we supposed to do?

First of all, we have to develop a toolbox of faith, trust, and intuition. Christians are accused of propping up impossible and improvable theories with blind faith. If this were true the accusers would have a point, but true faith runs deeper than this. We all use faith in every walk of life and we all need trust. People of faith are people who can push boundaries and take brave steps into the unknown. People of trust recognise possibilities in others and in themselves. People of intuition recognise integrity and truth. Anais Nin said: 'We don't see things as they are, we see things as we are.' What you believe sets a course for your future and directs your daily activities. Consequently, when you believe only what you can see, a whole world of possibility is lost.

Easter isn't just an event that happened two thousand years ago. Easter is on any day we discover our trust in God. Easter is on any day we find that we are able to live boldly and well in the belief that death is not just a meaningless end to life.

**Bitesize** – "To doubt your doubts". It takes some courage to do this. We need to look at our doubts straight in the eye and doubt them, not let them control our minds.'

~Dr. Harry Emerson.

**PARISH PRAYER** – Father, pour out your Spirit upon our parish. Grant us a new vision of your glory, a new faithfulness to your Word and a new consecration to your service, that your love might grow among us and your kingdom come, through Christ our Lord, Amen.

**Happy Easter everyone!** I am running out of appropriate words to describe the experience we are undergoing at the moment. It is an experience like no other. I offer Mass each day for the parish and say the extra prayers at the end of Mass. I pray for all those affected by this pandemic, for the lonely, the isolated, the anxious, bereaved, deceased, volunteers, all medical personnel. May the Lord be above you to protect you, before you to lead you, behind you to shield you and at your side to accompany you. Easter, our Passover, when God raised Jesus from the dead to a new life is the foundation of our faith. We have a well-founded hope that God is with us and through our faith in Jesus, risen from the dead, we already have a share in the divine life of God who is: Father, the Creator; Son, the Redeemer and Holy Spirit the life giver.

The parish newsletter (incl. back copies) is available to view on the parish website from Friday onward each week.

**Finding things to do.** I am sure that during the lockdown we are all attending to things that may have been left undone. I have decided that the church silver needs a polish and it is now getting it. It will be gleaming by the time we all get together again.

Some of the larger supermarkets are providing a donation point in-store, or for those self-isolating but who would still like to make a donation, please telephone Terri Sanderson to arrange for your donation to be collected from your doorstep (Terri will collect on a Sunday).
