

## GOSPEL REFLECTION FOR THE FOURTH SUNDAY OF ADVENT

**Final Answer?** - "Hail, full of grace! The Lord is with you .... Do not be afraid, for you have found favour with God." Imagine for one moment, that instead of the Angel Gabriel speaking those words to Mary, that they had been spoken directly to you. How would you feel? It would of course be a life changing moment ... a moment filled both with great excitement and of great uncertainty. In that moment you would know that life would never be the same again. In

that moment you would know that God had great plans for you. How must Mary have felt? It must have taken huge courage for her to agree to conceive God's Son. By saying 'yes' to God's plan she was allowing her whole life to be turned upside down. By saying 'yes' she was to turn her back on the security of the normal life she had planned with Joseph, her husband-to-be.

God's call to Mary is what we refer to today as the "Annunciation" which means an announcement or a calling. There are other places in the Bible where we see people called unexpectedly from the normality of their hum-drum lives to serve God. The calling is always a two-way thing. God requires a response. Of course we don't have to respond to God's call if we don't want to. Mary didn't have to say 'yes' to God's plan. She could have declined and lived out her years in trouble free comfort.

God still calls people today. Sometimes the call is insistent, as many who have been called to religious vocation will testify. Often the call is less obvious, and yet we are told that God has called each of us, and that for each of us there is a role to play. We are favoured and chosen just as Mary was. The main difference is that Mary responded fully to her unique role, whilst we remain hesitant and half-hearted, plagued by doubts as to our worth. Answering God's call isn't a comfortable business. Answering God's call might involve difficult decisions and hardship; but it might also be hugely rewarding, exciting and invigorating. How do we see God's call? Do we see it as a great burden, or as a great gift? Although Mary was young and uneducated, she had the faith to see that what the Angel Gabriel was offering her in calling her for God was a great gift. The call is to us all. How does God call each of us? What talents skills and characteristics do we each possess that God can use? Advent is a time in which we can look for the ways in which God is calling us ..... a time in which we can decide on the answer will give.

**PARISH PRAYER - Father, pour out your Spirit upon our parish. Grant us a new vision of your glory, a new faithfulness to your Word, and a new consecration to your service; that your love might grow among us and your Kingdom come. Through Christ our Lord. Amen**

### Gospel Reflection for Christmas Day

Were you the parent who was asked by your child for a 'Hatchimal' at Christmas only to find that every single toy shop on the planet had sold out by the end of November! The tragedy of Christmas is that we are left feeling we have failed as parents, or as a spouse, or as friends, if we have not managed to buy those must-have presents, if we have missed somebody off the card list, or failed to create a Christmas day worthy of a centre fold in Harpers Bizarre. The media has turned Christmas into a frenzy of 'getting things right'.

But despite 'consumerism gone mad', the nativity of Jesus is an event that still grips millions of people. The birth of Jesus heralds a new way of living for each and every new generation, and we are reminded of this significance every year at this time. Yes the lights and the tinsel have to come down, but let's remind ourselves to live the Christmas message of giving and caring, each and every day of the year.

**Anniversaries this week:** Dorothy Jones, Frederick Power, Joseph Murphy, Ivy O'Shea, Charlie Secker, Mary Reeder, Charles Wilfred Hunt and Dorothy Pinner. *May their souls and the souls of all the faithful departed rest in peace.*
